

First Graders Lead All Others In Enrollment

First graders lead the classes of the Torrance Unified School District with an enrollment of 997, according to a report submitted to the Board of Education this week by Warren Hamilton, director of special services for the district.

A breakdown of the school's 7567 enrollment as of March 24 also showed that Torrance Elementary School carried the highest enrollment with 1088 pupils. The high school enrollment was placed at 1242.

In passing Hamilton's report on to the trustees, Dr. J. H. Hull, superintendent of schools, said that kindergarten classes each year now will exceed 1000, and that when such classes get to high school, "that will mean 2500 to 4000 high school students without anybody moving into the district."

Hamilton's report showed the following enrollments by schools and by classes:

Gas Company Has \$10,000 Reward Out

Southern California Gas Co. joined the list of reward offerers this week by putting up \$10,000 for information leading to the arrest and conviction of anyone found shutting off a gas meter.

Its brother public utility, Southern California Edison, still has a standing offer of \$25,000 for info leading to the arrest and conviction of tower dynamiters, and a \$5000 reward for anyone caught sabotaging its plants.

The gas company's offer came as a result of numerous instances of valve shut-offs on services, particularly to apartment houses and housing projects.

The CIO union called a strike against the company shortly after midnight on Apr. 2 and, according to F. M. Banks, president of the company, there have been numerous cases of sabotage since then, which are thought to be by-products of the strike.

The company, Banks said, intends to continue to use every proper means at its disposal to maintain continuous gas service and appreciates the cooperation of customers who have limited their requests to emergency service calls.

South Bay Shrine Club Hosts Guests

The South Bay Shrine Club will act as host to members of Al Maalikah Temple's Uniform Organizations and neighboring Shrine Club members on Thursday evening, April 16, President Robert L. Brady announced recently.

Visiting guests and members will meet at 6:30 p.m. in the Key Room of the Hermosa Biltmore Hotel for a social hour. Dinner will be served at 7:30 and will be followed by a program of entertainment arranged especially by Norm March and his entertainment committee for the pleasure of visiting Shriners.

This evening is expected to be one of the "highlights" of the year and many guests are coming long distances to enjoy the hospitality of the club, Brady stated. Members of Uniform Organizations, Shrine clubs, and all Shriners regardless of temple affiliation will be most cordially welcomed and are assured of a very pleasant evening.

Reservations may be made by phoning Brady at Frontier 8275 or Secretary Carl Oppel at Frontier 2-1654.
